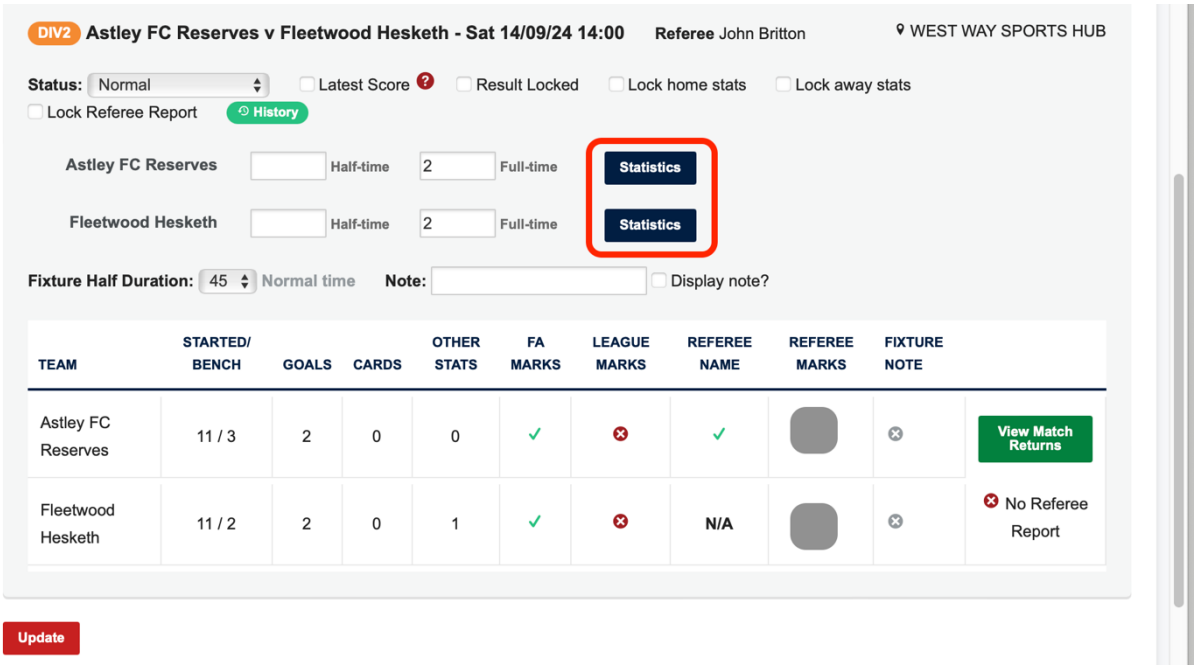
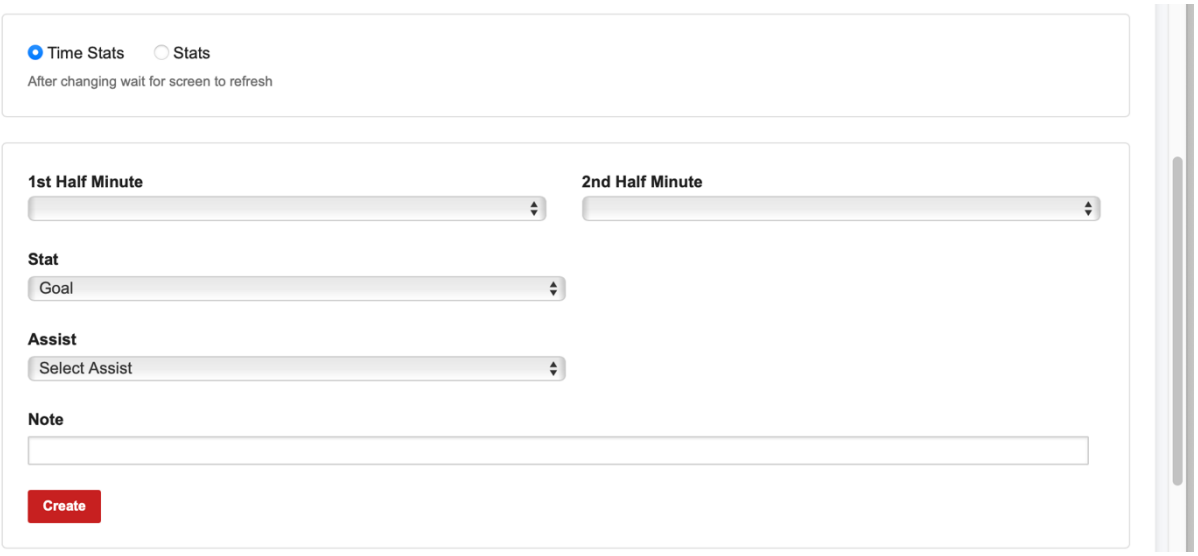
Log into full time and after updating your half time result, click on the **Statistics** button



Enter the FA Marks and scroll to the bottom and click the red **Update** button, click the tab at the top entitled **Player Statistics**.

Tick the boxes next to each team member that were in the starting XI and the substitutes after entering all players, scroll to the bottom and click the red **Process/Next**.

To enter the times for the goals, select the goal scorer, then scroll down and select the time from the appropriate drop down for first half or second half minute.



This also allows you to enter the assist for the goal too, once done, click **Create** and repeat for each goal scorer / substitute.
